

EXCLUSIVE WEDDINGS

## Róisín Lane and Kasper Hansen

**Length of engagement:** 1 year

**Wedding date:** 29<sup>th</sup> September 2009

**Wedding location:** Villa Pitiana, Tuscany, Italy

**Wedding Photographer:** Sergio - Edoardo Agresti Studio

### WE MET...

At hospitality college in Montreux, Switzerland in 1994! We were friends for many years before taking the plunge.

### FIRST IMPRESSIONS...

My first impression of Gavin was how great his smile is! His whole face lights up when he smiles and it's still one of my favourite things about him!

### OUR PROPOSAL...

Atop one of the hills in Tuscany southeast of Florence.

### OUR WEDDING THEME/COLOURS...

Jewel tones for the theme and indigo for the bridesmaid dresses.

### WE CHOSE OUR VENUE BECAUSE...

We chose Villa Pitiana because we wanted everyone to stay together under one roof during the days surrounding our wedding, to feel like part of one big, happy family.

### MY DRESS...

My dress was designed by a friend, Katrina Goulbourn Feist. I specifically chose the fabric because of the pina fibre woven through it, a fabric unique to the Philippines.

### OUR CEREMONY...

We had a Catholic ceremony in a little church Pieve a Pitiana that was exactly the right size to fit our family and friends.

### MY FAVOURITE PART OF THE WEDDING DAY...

One of the most memorable moments of the day was just after the ceremony, looking out at a sea of happy and smiling faces.

### MY ADVICE FOR OTHER BRIDES...

Remember what is important to you and your groom and make that the focus of the day. All the little things are not worth the sweat!
